Dear Editor and Community,

It is with a heavy heart that I am tendering my resignation as a Dunnellon City Councilwoman effective March 2, 2016. This resignation is not something that I take lightly but I believe that we as a city need to heal and look to the future and I believe this is what is needed at this time. The alleged incident in December has had a terrible effect on my quality of life and my well-being. The stress of the last few months has impacted my health to the extent I must resign.

I have lived and loved Dunnellon for many, many years. My dedication to Dunnellon did not start with this council seat, it started more than 25 years ago when my husband, Darrell and I first moved to Dunnellon. In that time I have been involved in real estate, the Rainbow River Advisory Committee, the Historic Society, I worked to get Dunnellon's historic homes and businesses on the State Historic Register, represented Dunnellon on the TPO Board working with county entities, am a long-standing member and supporter of the Dunnellon Area Chamber of Commerce, and worked with our Representative Nancy Argenziano on many projects to help Dunnellon including the development the Withlcoochee Region Water Basin to protect our precious rivers and its waterways.

My legacy should not be determined by what was believed to have happened in December. My legacy should be the over 25 years of work I've done to help Dunnellon be a better place to live. With this in mind, I have submitted my resignation to the City of Dunnellon.

Thank you all for your concern over my health and, as I take some time to heal myself, I wish only the best for Dunnellon, her citizens and her future.

Sincerely,

Penelope L. Fleeger 2-28-16

INSTRUCTIONS FOR COMPLETING FORM 1:

INTRODUCTORY INFORMATION (Top of Form): If your name, mailing address, public agency, and position are already printed on the form, you do not need to provide this information unless it should be changed. To change any of this information, write the correct information on the form, and contact your agency's financial disclosure coordinator. You can find your coordinator on the Commission on Ethics website: www.ethics.state.fl.us.

NAME OF AGENCY: The name of the governmental unit which you serve or served, by which you are or were employed, or for which you are a candidate.

OFFICE OR POSITION HELD OR SOUGHT: The title of the office or position you hold, are seeking, or held during the disclosure period even if you have since left that position. If you are a candidate for office or are a new employee or appointee, check the appropriate box.

PUBLIC RECORD: The disclosure form and everything attached to it is a public record. Your Social Security Number is not required and you should redact it from any documents you file. If you are an active or former officer or employee listed in Section 119.071, F.S., whose home address is exempt from disclosure, the Commission will maintain that confidentiality if you submit a written request.

DISCLOSURE PERIOD: The tax year for most individuals is the calendar year (January 1 through December 31). If that is the case for you, then your financial interests should be reported for the calendar year 2015; check that box. If you file your IRS tax return based on a tax year that is not the calendar year, you should specify the dates of your tax year in this portion of the form and check the appropriate box. This is the "disclosure period" for your report.

MANNER OF CALCULATING REPORTABLE INTEREST

Filers have the option of reporting based on either thresholds that are comparative (usually, based on percentage values) or thresholds that are based on absolute dollar values. The instructions on the following pages specifically describe the different thresholds. Check the box that reflects the choice you have made. You must use the type of threshold you have chosen for each part of the form. In other words, if you choose to report based on absolute dollar value thresholds, you cannot use a percentage threshold on any part of the form.

IF YOU HAVE CHOSEN DOLLAR VALUE THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose the amount of income received, and you need not list your public salary from serving in the position(s) which requires you to file this form. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony, but not child support.

Examples:

— If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).

— If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law).

— If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).

— If you received income from investments in stocks and bonds, list each individual company from which you derived more than \$2,500. Do not aggregate all of your investment income.

— If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.

— If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

(1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of

a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and,**

(2) You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the above thresholds. List each tenant of the mall that provided more than 10% of the partnership's gross income and the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more current appraisal.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you, Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, then it is not a contingent liability.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(5), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer whose term began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

(End of Dollar Value Thresholds Instructions.)

IF YOU HAVE CHOSEN COMPARATIVE (PERCENTAGE) THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose the amount of income received, and you need not list your public salary received from serving in the position(s) which requires you to file this form, but this amount should be included when calculating your gross income for the disclosure period. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should include all of that income when calculating your gross income and disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded 5% of the gross income received by you in your own name or by any other person for your benefit or use during the disclosure period.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony, but not child support.

Examples:

— If you were employed by a company that manufactures computers and received more than 5% of your gross income from the company, list the name of the company, its address, and its principal business activity (computer manufacturing).

— If you were a partner in a law firm and your distributive share of partnership gross income exceeded 5% of your gross income, then list the name of the firm, its address, and its principal business activity (practice of law).

— If you were the sole proprietor of a retail gift business and your gross income from the business exceeded 5% of your total gross income, list the name of the business, its address, and its principal business activity (retail gift sales).

— If you received income from investments in stocks and bonds, list each individual company from which you derived

more than 5% of your gross income. Do not aggregate all of your investment income.

— If more than 5% of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address, and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.

— If more than 5% of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A, "Primary Sources of Income," if it meets the reporting threshold. You will **not** have anything to report **unless** during the disclosure period:

(1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); **and,**

(2) You received more than 10% of your gross income from that business entity; **and,**

(3) You received more than \$1,500 in gross income from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

— You are the sole proprietor of a dry cleaning business, from which you received more than 10% of your gross income—an amount that was more than \$1,500. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).

— You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the thresholds listed above. You should list each tenant of the mall that provided more than 10% of the partnership's gross income, and the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes, if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more current appraisal.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than 10% of your total assets, and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you, Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product *contained* in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CD's and savings accounts with the same bank.

Calculations: To determine whether the intangible property exceeds 10% of your total assets, total the fair market value of all of your assets (including real property, intangible property, and tangible personal property such as jewelry, furniture, etc.). When making this calculation, do not subtract any liabilities (debts) that may relate to the property. Multiply the total figure by 10% to arrive at the disclosure threshold. List only the intangibles that exceed this threshold amount. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number which can be found on the lease document). Property that is only jointly owned property should be valued according to the percentage of your joint ownership. Property owned as tenants by the entirety or as joint tenants with right of survivorship should be valued at 100%. None of your calculations or the value of the property have to be disclosed on the form.

Example: You own 50% of the stock of a small corporation that is worth \$100,000, the estimated fair market value of your home and other property (bank accounts, automobile, furniture, etc.) is \$200,000. As your total assets are worth \$250,000, you must disclose intangibles worth over \$25,000. Since the value of the stock exceeds this threshold, you should list "stock" and the name of the corporation. If your accounts with a particular bank exceed \$25,000, you should list "bank accounts" and bank's name.

PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed any amount that, at any time during the disclosure period, exceeded your net worth. You are not required to list the amount of any debt or your net worth. You do not have to disclose: credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, it is not a contingent liability.

Calculations: To determine whether the debt exceeds your net worth, total all of your liabilities (including promissory notes, mortgages, credit card debts, judgments against you, etc.). The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. Subtract the sum total of your liabilities from the value of all your assets as calculated above for Part D. This is your "net worth." List each creditor to whom your debt exceeded this amount unless it is one of the types of indebtedness listed in the paragraph above (credit card and retail installment accounts, etc.). Joint liabilities with others for which you are "jointly and severally liable," meaning that you may be liable for either your part or the whole of the obligation, should be included in your calculations at 100% of the amount owed.

Example: You owe \$15,000 to a bank for student loans, \$5,000 for credit card debts, and \$60,000 (with spouse) to a savings and loan for a home mortgage. Your home (owned by you and your spouse) is worth \$80,000 and your other property is worth \$20,000. Since your net worth is \$20,000 (\$100,000 minus \$80,000), you must report only the name and address of the savings and loan.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145, F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with, the types of businesses listed above. You are required to make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer whose term began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

CITY COUNCIL CODE OF CONDUCT
October 28, 2013
EXHIBIT A

"Conduct is three-fourths of our life and its largest concern."

-- Matthew Arnold

The Three R's of Government Leadership:

Roles, Responsibilities and Respect

The City Charter provides information on the roles and responsibilities of Councilmembers, the Vice Mayor, and the Mayor; however, it does not spell out a code of conduct for elected officials.

This Code of Conduct is designed to describe the manner in which Councilmembers should treat one another, city staff, constituents, and others they come into contact with in representing the City of Dunnellon. ***It reflects the work of the City Council in defining more clearly the behavior, manners, and courtesies that are suitable for various occasions.***

The contents of this Code of Conduct includes:

- I.** Overview of Roles & Responsibilities
- II.** Policies & Protocol Related to Conduct
- III.** Council Conduct with One Another
- IV.** Council Conduct with City Staff
- V.** Council Conduct with and Relationship to City Attorney
- VI.** Council Conduct with The Public
- VII.** Council Conduct with Other Public Agencies
- VIII.** Council Conduct with Boards and Commissions
- IX.** Council Conduct with the Media
- X.** Sanctions
- XI.** Principles of Proper Conduct
- XII.** Checklist for Monitoring Conduct
- XIII.** Glossary of Terms

The constant and consistent theme through all of the conduct guidelines is "respect." Councilmembers experience huge workloads and tremendous stress in making decisions that could impact thousands of lives. Despite these pressures, elected officials are called upon to exhibit appropriate behavior at all times. Demonstrating respect for each individual through words and actions is the touchstone that can help guide Councilmembers to do the right thing, in even the most difficult situations.

First Draft 10/23/13 Special Council Meeting, Second draft 10/28/13 Council Meeting, Final Draft is a clean version of additions and deletions from all meetings.

MEETING CHAIR

The Mayor will chair official meetings of the City Council, unless the Vice Mayor or another Councilmember is designated as Chair of a specific meeting.

- Maintains order, decorum, and the fair and equitable treatment of all speakers
- Keeps discussion and questions focused on specific agenda item under consideration
- Makes parliamentary rulings with advice, if requested, from the City Attorney who acts as an advisory parliamentarian. Chair rulings may be overturned if a Councilmember makes a motion as an individual and the majority of the Council votes to overrule the Chair.

II. Policies & Protocol Related To Conduct

"Wherever there is a human being, there is an opportunity for kindness."

-- Seneca

Ceremonial Events

Requests for a City representative at ceremonial events will be handled by City staff. The Mayor will serve as the designated City representative. If the Mayor is unavailable, then City staff will determine if event organizers would like another representative from the Council. If yes, then the Mayor will recommend which Councilmember should be asked to serve as a substitute. Invitations received at City Hall are presumed to be for official City representation. Invitations addressed to Councilmembers at their homes are presumed to be for unofficial, personal consideration.

Correspondence Signatures

Councilmembers do not need to acknowledge the receipt of correspondence, or copies of correspondence, during Council meetings. City staff will prepare official letters in response to public inquiries and concerns. These letters will carry the signature of the Mayor unless the Mayor requests that another Councilmember or City staff member sign them. A copy of the direct response to the citizen shall be provided to the City Council.

If correspondence is addressed only to one Councilmember, that Councilmember may check with staff on the best way to respond to the sender.

Written communication requesting an appearance before the City Council is to be referred to the City Clerk for:

- Forwarding to the Council with their agenda packet, or
- Placement on an agenda with or without a staff report

First Draft 10/23/13 Special Council Meeting, Second draft 10/28/13 Council Meeting, Final Draft is a clean version of additions and deletions from all meetings.

Deadlines

Evaluations:

Councilmembers evaluating the City Manager shall do so in a timely fashion. The evaluation form provided to councilmembers shall be completed in its entirety along with any comments and shall be submitted to the City Clerk within four (4) weeks of the date in which it was received by said councilmember. The date that staff provided the document to councilmembers shall be recorded on the document by staff along with the calculated return date. If any evaluation is received after the four week deadline it will not be included in the final compilation to be submitted to City Council for approval.

Miscellaneous:

At times the City Council will have work product that must be completed and returned to staff for processing or compilation as council meeting backup. For example, goals and objectives, strategic plan concepts, etc. Councilmembers will adhere to a (4) four-week deadline for all items requiring completion and return such to the City Manager or City Clerk. If the sensitive nature of the work product in question requires a more immediate response, staff will place the due date on the document or notify the Councilmembers in writing.

Endorsement of Candidates

Councilmembers shall not actively endorse or campaign for other candidates for City council seats.

Intergovernmental Relations

Each year during a council meeting, city council members will agree on which liaison assignments shall be assigned to them.

Rules of Parliamentary Procedure

The City of Dunnellon is guided by Webster's New World Robert's Rules of Order Simplified and Applied Second Edition as amended from time to time for meeting management. The City Attorney serves as advisory parliamentarian for the City and is available to answer questions or interpret situations according to parliamentary procedures. Final rulings on parliamentary procedure are made by the Chair, subject to the appeal of the full Council.

Main motions may be followed by amendments, followed by substitute motions. Any Councilmember can call for a point of order. Only Councilmembers who voted on the prevailing side may make motions to reconsider.

Public Participation on Non-agenda Items: General Public Comments

There shall be an item on each regular Council meeting agenda entitled "General Public Comments." At the beginning of the meeting, a person, wishing to address the Council under this agenda item should fill out a form provided by the City to, at a minimum, give his/her name and address. The comments shall be limited to one (1) appearance per subject for a duration not to exceed three (3) minutes unless a majority of the Council feels some other time limit is appropriate, and must address a subject or subjects other than a specific item appearing on the agenda.

First Draft 10/23/13 Special Council Meeting, Second draft 10/28/13 Council Meeting, Final Draft is a clean version of additions and deletions from all meetings.

Staff members, City Attorney, or Councilmembers may not be able to give an immediate response to a comment. If the Council decides that a matter raised during General Public Comments requires further review and discussion that cannot take place during the meeting, the matter may be referred to City staff or City Attorney and placed on a subsequent agenda.

No question or comment by the public should be addressed directly to any individual Councilmember, staff member, or City Attorney. All comments must be directed to the Chair.

Public Participation on Legislative and Administrative Items on Agenda

Prior to Council decisions, the Chair shall allow the public to participate and comment on specific agenda items of a legislative or administrative nature. Prior to making comments, each person wishing to address the Council should fill out a form provided by the City to give his/her name and address. (S)he can indicate his or her designation of a representative to speak for him or her on the proposition.

A person shall be limited to one (1) appearance on each agenda item and may not speak for more than three (3) minutes, unless a majority of the Council feels some other time limit is appropriate.

Once a legislative public hearing is closed, Council discussions will take place. Council will deliberate the issue and make a motion, if deemed appropriate, and take the final appropriate action.

To maintain orderliness of the meeting, no question or comment by the public should be addressed directly to any individual Councilmember, staff member, or City Attorney. All comments must be directed to the Chair.

When multiple speakers appear to speak on one topic on the Agenda

When a group of people supporting or opposing the same position regarding an item on the agenda desires to be heard, in the interest of time and to avoid repetitious comments, a spokesperson should be designated by the group to express the group's concerns. However, a person in the group may make comments which were not included in the spokesperson's comments. Participation shall be limited to three (3) minutes per person, unless a majority of the Council feels some other time limit is appropriate.

Public participation on Consent Agenda matters

The Council agenda typically includes a Consent Agenda, during which Council adopts a series of measures listed on the Consent Agenda in one vote. If one or more Council members requests that an item(s) be removed from the Consent Agenda for discussion during the main agenda, the item(s) shall be removed and placed on the main agenda without necessity of a formal vote of Council.

No public comment is required for ministerial items on the Consent Agenda, such as, and not limited to, approval of minutes of meetings, ceremonial proclamations, and items provided for informational purposes only and are not propositions for action by Council.

First Draft 10/23/13 Special Council Meeting, Second draft 10/28/13 Council Meeting, Final Draft is a clean version of additions and deletions from all meetings.

Exceptions when public participation is not required

The right of the public to a reasonable opportunity to be heard does not apply:

When an official act must be taken to deal with an emergency situation affecting the public health, welfare, or safety, if compliance with the requirements for public participation would cause an unreasonable delay in the ability of the Council to act;

When an official act involves a ministerial act, including but not limited to, approval of minutes and ceremonial proclamations;

When the Council holds an executive session pursuant to § 286.011, Florida Statutes; and

When a public hearing is held before Council acting in its quasi-judicial capacity, pursuant to a separate Resolution of Council. This paragraph does not affect the right of a person to be heard as otherwise provided by law.

Written Correspondence between board members

The use of e-mail, a written report, or any other form of written communication from one Councilmember to other Councilmembers on a subject which might be discussed at a public meeting is not a violation of the Sunshine Law if no other Councilmembers respond to the Councilmember's correspondence outside of a public meeting.

If, however, **even one** Councilmember responds to the e-mail, written report, or other written communication, a violation of the sunshine law has occurred.

THEREFORE, NO COUNCILMEMBER SHOULD SEND E-MAILS, REPORTS, POSITION PAPERS, OR OTHER FORMS OF COMMUNICATION REGARDING A SUBJECT WHICH MIGHT COME BEFORE THE COUNCIL FOR ACTION. Thus, the city council's discussions and deliberations on matters coming before the council must occur at a duly noticed city council meeting. If any Councilmember wants to communicate his or her position on a subject which might come before the Council, he or she can send the communication to the City Manager and the City Clerk and ask that it be included in the Council's meeting packet.

Similarly, a board that is responsible for assessing the performance of its chief executive officer (CEO) must conduct the review and appraisal process in a proceeding open to the public as prescribed by s. 286.011, F.S., instead of using a review procedure in which individual board members evaluate the CEO's performance and send their individual written comments to the board chairman for compilation and subsequent discussion with the CEO. AGO 93-90.

Handling of Litigation and Other Confidential Information

All written materials and verbal information provided to Councilmembers on matters that are confidential under State law shall be kept in complete confidence to ensure that the City's position is not compromised. Any confidential material will only be provided to Councilmembers when needed by Council to make a formal decision that is to come before them. No disclosure, photo copies, or mention of any information in these materials may be made to anyone other than Council members, the City Attorney, or City Manager, and City Clerk when applicable.

First Draft 10/23/13 Special Council Meeting, Second draft 10/28/13 Council Meeting, Final Draft is a clean version of additions and deletions from all meetings.

Confidential materials provided in preparation for and during closed sessions must be returned to staff at the conclusion of the closed session.

Confidential materials provided to Council members outside of closed sessions must be returned to staff within ten (10) days of their receipt.

Council members may not request confidential written information from staff that has not been provided to all Council members.

Travel Expenses

The policies and procedures related to the reimbursement of travel expenses for official City business by Councilmembers are outlined in the City's Personnel Manual. All Council travel, with the exception of liaison assignments, in which the Councilmember expects to officially represent the City and/or be reimbursed by the City for travel costs, must be approved in advance by the Council. The travel policy and budget for Council should be reviewed at each budget cycle.

III. Council Conduct with One Another

"In life, courtesy and self-possession, and in the arts, style, are the sensible impressions of the free mind, for both arise out of a deliberate shaping of all things and from never being swept away, whatever the emotion, into confusion or dullness."

-- William Butler Yeats

Councils are composed of individuals with a wide variety of backgrounds, personalities, values, opinions, and goals. Despite this diversity, all have chosen to serve in public office in order to preserve and protect the present and the future of the community. In all cases, this common goal should be acknowledged even as Council may "agree to disagree" on contentious issues.

In Public Meetings

Practice civility and decorum in discussions and debate: Difficult questions, tough challenges to a particular point of view, and criticism of ideas and information are legitimate elements of a free democracy in action. This does not allow, however, Councilmembers to make belligerent, personal, impertinent, slanderous, threatening, abusive, or disparaging comments. No shouting or physical actions that could be construed as threatening will be tolerated.

Honor the role of the Chair in maintaining order: It is the responsibility of the Chair to keep the comments of Councilmembers on track during public meetings. Councilmembers should honor efforts by the Chair to focus discussion on current agenda items. If there is disagreement about the agenda or the Chair's actions in enforcing the rules of order set forth herein, those objections should be voiced politely and with reason. If the rest of Council disagrees with the decision of the Mayor, a majority vote of Council is binding. In the event a decision cannot be reached by the Council as to the manner of proceeding on any matter, the Council

First Draft 10/23/13 Special Council Meeting, Second draft 10/28/13 Council Meeting, Final Draft is a clean version of additions and deletions from all meetings.

may use Robert's Rules of Order as a guide to assist the Council in making a determination.

Avoid personal comments that could offend other Councilmembers:

If a Councilmember is personally offended by the remarks of another Councilmember, the offended Councilmember should make notes of the actual words used and call for a "point of personal privilege" that challenges the other Councilmember to justify or apologize for the language used. The Chair will maintain control of this discussion.

Demonstrate effective problem-solving approaches: Councilmembers have a public stage to show how individuals with disparate points of view can find common ground and seek a compromise that benefits the community as a whole.

Social Encounters

The Florida Open Meetings Law will prevail on any social gatherings involving Councilmembers:

Members of a public board or commission are not prohibited under the Sunshine Law from meeting together socially, provided that matters which may come before the board or commission are not discussed at such gatherings. Thus, when two or more members of a public board are attending or participating in meetings or other functions unconnected with their board, they must refrain from discussing matters on which foreseeable action may be taken by the board, but are not otherwise restricted in their actions.

A luncheon meeting held by a private organization for members of a public board or commission at which there is no discussion among such officials on matter relating to public business would not be subject to the Sunshine Law, merely because of the presence of two or more members of a covered board or commission.

Councilmembers should avoid situations in which they may be perceived by the general public as discussing matters which may come before the board or commission.

Elected officials are always on display – people around them that they may not know monitor their actions, mannerisms, and language. Lunch table conversations will be eavesdropped upon, parking lot debates will be watched, and casual comments between individuals before and after public meetings noted.

Continue respectful behavior in social gatherings: The same level of respect and consideration of differing points of view that is deemed appropriate for public discussions should be maintained in social conversations.

Be aware of the insecurity of written notes, voicemail messages, and e-mail:

Technology allows words written or said without much forethought to be distributed wide and far. Would you feel comfortable to have this note faxed to others? How would you feel if this voicemail message was played on a speakerphone in a full office? What would happen if this e-mail message were forwarded to others?

Resolution #RES2013-15 City Council Code of Conduct

Page 11

Written notes, voicemail messages and e-mail should be treated as potentially "public" communication.

The Sunshine Law applies to the deliberations and discussions between two or more members of the City Council on some matter which foreseeably will come before the Council for action. The use of a telephone to conduct such discussions does not remove the conversation from the requirements of s. 286.011, F.S.

Section 286.011, F.S., applies to meetings of "two or more members" of the same board or commission when discussing some matter which will foreseeably come before the board or commission.

IV. Council Conduct with City Staff

"Never let a problem become an excuse."

-- Robert Schuller

Governance of a City relies on the cooperative efforts of elected officials, who set policy, and City staff, who implements and administers the Council's policies. Therefore, every effort should be made to be cooperative and show mutual respect for the contributions made by each individual for the good of the community.

Treat all staff as professionals.

Clear, honest communication that respects the abilities, experience, and dignity of each individual is expected. Poor behavior toward staff is not acceptable.

Limit contact to specific City staff.

Questions of City staff and/or requests for additional background information should be directed only to the City Manager, City Attorney, or Department Heads. The Office of the City Manager should be copied on any request.

Requests for follow-up or directions to staff should be made only through the City Manager or the City Attorney when appropriate. When in doubt about what staff contact is appropriate, Councilmembers should ask the City Manger for direction. Materials supplied to a Councilmember in response to a request will be made available to all members of the Council so that all have equal access to information.

Do not disrupt City staff from their jobs.

Councilmembers should not disrupt City staff while they are in meetings, on the phone, or engrossed in performing their job functions in order to have their individual needs met.

Never publicly criticize an individual employee.

Council should never express concerns about the performance of a City employee in public, to the employee directly, or to the employee's manager. Comments about staff performance should only be made to the City Manager through correspondence or conversation. Comments about staff in the office of the City Attorney should be made directly to the City Attorney.

First Draft 10/23/13 Special Council Meeting, Second draft 10/28/13 Council Meeting, Final Draft is a clean version of additions and deletions from all meetings.

Do not get involved in administrative functions.

Councilmembers must not attempt to influence City staff on items that are within the jurisdiction of the City Manager such as the making of appointments, awarding of contracts, selecting of consultants, processing of development applications, or granting of City licenses and permits.

Check with City staff on correspondence before taking action.

Before sending correspondence, Councilmembers should check with City staff to see if an official City response has already been sent or is in progress.

Do not attend meetings with City staff unless directed by council.

Even if the Councilmember does not say anything, the Councilmember's presence implies support, shows partiality, intimidates staff, and hampers staff's ability to do their job objectively.

Limit requests for staff support.

Routine secretarial support will be provided to all Councilmembers. All mail for Councilmembers is opened by the City Clerk or designee, unless other arrangements are requested by a Councilmember. Mail addressed to the Mayor is reviewed first by the City Manager who notes suggested action and/or follow-up items.

Requests for additional staff support – even in high priority or emergency situations -- should be made to the City Manager who is responsible for allocating City resources in order to maintain a professional, well-run City government.

Do not solicit political support from staff.

Councilmembers should not solicit any type of political support (financial contributions, display of posters or lawn signs, name on support list, etc.) from City staff. City staff may, as private citizens with constitutional rights, support political candidates but all such activities must be done away from the workplace.

Prior to Council Meetings

When preparing for Council meetings, Council members should direct questions ahead of time to the City Manager so that staff can provide the desired information at the Council meeting.

V. Council Conduct with and Relationship to the City Attorney

No Attorney-Client Relationship

Council members who consult the City Attorney, his or her staff and/or attorney(s) contracted to work on behalf of the City cannot enjoy or establish an attorney-client relationship with said attorney(s) by consulting with or speaking to same. Any attorney-client relationship established belongs to the City, acting through the City Council and as may be allowed in Florida Bar Rules of Professional Conduct and State law for purposes of defending the City and/or the City Council in the course of litigation and/or administrative proceedings, etc.

Request for Legal Assistance

Legal assistance may be requested directly to the City Attorney by an individual City Council member outside of public meeting(s) to assist the City Council member in carrying out his or her official duties on a matter. The City Attorney will respond to the individual request as prescribed in the Legal Services Agreement with the City.

VI. Council Conduct with the Public

"If a man be gracious and courteous to strangers, it shows he is a citizen of the world, and that his heart is no island cut off from other lands, but a continent that joins to them."

-- Francis Bacon

In Public Meetings

Making the public feel welcome is an important part of the democratic process. No signs of partiality, prejudice or disrespect should be evident on the part of individual Councilmembers toward an individual participating in a public forum. Every effort should be made to be fair and impartial in listening to public testimony.

Be welcoming to speakers and treat them with care and gentleness.

"I give many public presentations so standing up in front of a group and using a microphone is not new to me. But I found that speaking in front of Council was an entirely different experience. I was incredibly nervous and my voice was shaking. I think the reason was because the issue was so personal to me. The Council was going to take a vote that would affect my family's daily life and my home. I was feeling a lot of emotion. The way that Council treats people during public hearings can do a lot to make them relax or to push their emotions to a higher level of intensity."

Give the appearance of active listening. It is disconcerting to speakers to have Councilmembers not look at them when they are speaking. It is fine to look down at documents or to make notes, but reading for a long period of time gazing around the room gives the appearance of disinterest.

Ask for clarification, but avoid debate and argument with the public.

Only the Chair – not individual Councilmembers -- can interrupt a speaker during a presentation. However, a Councilmember can ask the Chair for a point of order if the speaker is off the topic or exhibiting behavior or language that the Councilmember finds disturbing.

No personal attacks of any kind, under any circumstance

Councilmembers should be aware that their body language and tone of voice, as well as the words they use, can appear to be intimidating or aggressive.

In Unofficial Settings

Make no promises on behalf of the Council.

Councilmembers will frequently be asked to explain a Council action or to give their

First Draft 10/23/13 Special Council Meeting, Second draft 10/28/13 Council Meeting, Final Draft is a clean version of additions and deletions from all meetings.

opinion about an issue as they meet and talk with constituents in the community. It is appropriate to give a brief overview of City policy and to refer to City staff for further information. It is inappropriate to overtly or implicitly promise Council action, or to promise City staff will do something specific (fix a pothole, remove a library book, plant new flowers in the median, etc.).

Make no personal comments about other Councilmembers. It is acceptable to publicly disagree about an issue, but it is unacceptable to make derogatory comments about other Councilmembers, their opinions and actions.

Remember that Dunnellon will always be a small town at heart. Councilmembers are constantly being observed by the community every day that they serve in office. Their behaviors and comments serve as models for proper deportment in the City of Dunnellon. Honesty and respect for the dignity of each individual should be reflected in every word and action taken by Councilmembers, 24 hours a day, seven days a week. It is a serious and continuous responsibility.

VII. Council Conduct with Other Public Agencies

"Always do right. This will gratify some people and astonish the rest."

-- Mark Twain

Be clear about representing the city or personal interests.

If a Councilmember appears before another governmental agency or organization to give a statement on an issue, the Councilmember must clearly state: 1) if his or her statement reflects personal opinion or is the official stance of the City; 2) whether this is the majority or minority opinion of the Council.

If the Councilmember is representing the City, the Councilmember must support and advocate the official City position on an issue, not a personal viewpoint.

If the Councilmember is representing another organization whose position is different from the City, the Councilmember should withdraw from voting on the issue if it significantly impacts, or is detrimental to the City's interest. Councilmembers should be clear about which organizations they represent and inform the Mayor and Council of their involvement.

Correspondence also should be equally clear about representation.

City letterhead may be used when the Councilmember is representing the City and the City's official position. A copy of official correspondence should be given to the City Clerk to be filed as part of the permanent public record.

City letterhead shall not be used for correspondence of Councilmembers representing a personal point of view, or a dissenting point of view from an official Council position.

First Draft 10/23/13 Special Council Meeting, Second draft 10/28/13 Council Meeting, Final Draft is a clean version of additions and deletions from all meetings.

VIII. Council Conduct with Boards and Commissions

"We rarely find that people have good sense unless they agree with us."

--Francois, Duc de La Rochefoucauld

The City has established several Boards and Commissions as a means of gathering more community input. Citizens who serve on Boards and Commissions become more involved in government, and serve as advisors to the City Council. They are a valuable resource to the City's leadership and should be treated with appreciation and respect.

If attending a Board or Commission meeting, be careful to only express personal opinions.

Councilmembers may attend any Board or Commission meeting, which are always open to any member of the public. However, they should be sensitive to the way their participation – especially if it is on behalf of an individual, business or developer -- could be viewed as unfairly affecting the process. Any public comments by a Councilmember at a Board or Commission meeting should be clearly made as an individual opinion, and not a representation of the feelings of the entire City Council.

Limit contact with Board and Commission members to questions of clarification.

It is inappropriate for a Councilmember to contact a Board or Commission member to lobby on behalf of an individual, business, or developer. It is acceptable for Councilmembers to contact Board or Commission members in order to clarify a position taken by the Board or Commission.

Remember that Boards and Commissions serve the community, not individual Councilmembers.

The City Council appoints individuals to serve on Boards and Commissions, and it is the responsibility of Boards and Commissions to follow policy established by the Council. But Board and Commission members do not report to individual Councilmembers, nor should Councilmembers feel they have the power or right to threaten Board and Commission members with removal if they disagree about an issue. Appointment and re-appointment to a Board or Commission should be based on such criteria as expertise, ability to work with staff and the public, and commitment to fulfilling official duties. A Board or Commission appointment should not be used as a political "reward."

Be respectful of diverse opinions.

A primary role of Boards and Commissions is to represent many points of view in the community, and to provide the Council with advice based on a full spectrum of concerns and perspectives. Councilmembers may have a closer working relationship with some individuals serving on Boards and Commissions, but must be fair and respectful of all citizens serving on Boards and Commissions.

Keep political support away from public forums.

Board and Commission members may offer political support to a Councilmember, but not in a public forum while conducting official duties. Conversely, Councilmembers may support

First Draft 10/23/13 Special Council Meeting, Second draft 10/28/13 Council Meeting, Final Draft is a clean version of additions and deletions from all meetings.

Board and Commission members who are running for office, but not in an official forum in their capacity as a Councilmember.

Inappropriate behavior can lead to removal.

Inappropriate behavior by a Board or Commission member should be noted to the City Manager, and the City Manager should counsel the offending member. If inappropriate behavior continues, the City Manager should bring the situation to the attention of the Council, and the individual is subject to removal from the Board or Commission.

IX. Council Conduct with the Media

"Keep them well fed and never let them know that all you've got is a chair and a whip."

-- Lion Tamer School

Councilmembers are frequently contacted by the media for background and quotes.

The best advice for dealing with the media is to never go "off the record."

Most members of the media represent the highest levels of journalistic integrity and ethics, and can be trusted to keep their word. But one bad experience can be catastrophic. Words that are not said cannot be quoted.

The Mayor is the official spokesperson for the representative on City position. The Mayor is the designated representative of the Council to present and speak on the official City position. If an individual Councilmember is contacted by the media, the Councilmember should be clear about whether their comments represent the official City position or a personal viewpoint.

Choose words carefully and cautiously. To avoid inadvertent errors by the media when quoting what a Councilmember says, it is advisable to give short answers. Comments taken out of context can cause problems. Be especially cautious about humor, sardonic asides, sarcasm, or word play. It is never appropriate to use personal slurs or swear words when talking with the media.

X. Sanctions

"You cannot have a proud and chivalrous spirit if your conduct is mean and paltry; for whatever a man's actions are, such must be his spirit." -- Demosthenes

Public Decorum

No person attending Council meetings shall be allowed to make obscene, vulgar, or abusive remarks, nor shall any person be allowed to make repetitive remarks so as to become disruptive to the purpose of the meeting. No person shall be allowed to become violent, aggressive, belligerent, or boisterous. Any such person shall be instructed by the Chair to cease making such remarks or engaging in such improper conduct. If the person fails to comply with the Chair's instruction, (s)he may be removed from the Council Chambers upon First Draft 10/23/13 Special Council Meeting, Second draft 10/28/13 Council Meeting, Final Draft is a clean version of additions and deletions from all meetings.

the Chair's directive, unless a majority of Council grants such person permission to remain in Council Chambers.

It is the duty of the Chief of Police or a member of the Police Department acting as sergeant-at-arms to forcibly evict, if necessary, any person from the Council Chambers upon the order of the Chair or Council at any such meeting. The sergeant-at-arms shall carry out all orders and instructions given by the Chair for the purpose of maintaining order and decorum at the Council meeting.

If speakers become flustered or defensive by Council questions, the Chair will make a good faith effort to calm and focus the speaker and to maintain the order and decorum of the meeting. Questions by Councilmembers to members of the public testifying should seek to clarify or expand information. It is never appropriate to belligerently challenge or belittle the speaker. Councilmembers' personal opinions or inclinations about upcoming votes should not be revealed until after the public hearing is closed.

All persons wishing to address the City Council must limit their comments to the specific subject being addressed. All questions or comments must be directed to the Chair rather than to an individual Councilmember, City Staff, Attorney, or other City consultant.

Inappropriate Staff Behavior

Councilmembers should refer to the City Manager any City staff or to the City Attorney any City Attorney's staff who do not follow proper conduct in their dealings with Councilmembers, other City staff, or the public. These employees may be disciplined in accordance with standard City procedures for such actions. (Please refer to the section on Council Conduct with City Staff for more details on interaction with Staff.)

**City of Dunnellon
Public Code of Ethical Conduct
Adopted by the Dunnellon City Council
October 28, 2013**

Preamble

The citizens and businesses of Dunnellon are entitled to have a fair, ethical and accountable local government process which has earned the public's full confidence for integrity. Good ethics in government is about open and honest discussion between all public stakeholders.

The effective functioning of democratic government therefore requires that:

All public business will be transacted in the public arena, meaning open and duly announced public forums.

Public officials, both elected and appointed, comply with both the letter and spirit of the laws and policies affecting the operations of government.

Public officials and city board/commission members be independent, impartial and fair in their judgment and actions; public office be used for the public good, not for personal gain; and public deliberations and processes be conducted openly, unless legally confidential, in an atmosphere of respect and civility.

Any person addressing public business before the City Council and boards/commissions complies with the spirit of the laws and policies affecting the operations of government.

To this end, the Dunnellon City Council has adopted a Public Code of Ethical Conduct to assure public confidence in the integrity of local government, and provide for an effective and fair public process.

1. Act in the Public Interest

Recognizing that stewardship of the public interest must be their primary concern, City Council and board/commission members will work for the common good of the people of Dunnellon and not for any private or personal interest; and, they will assure fair and equal treatment of all persons, claims and transactions coming before the Dunnellon City Council and boards/commissions.

2. Comply with the Law

City Council and board/commission members shall comply with the laws of the nation, the State of Florida and the City of Dunnellon in the performance of their public duties. These laws include, but are not limited to: the United States and Florida constitutions; the Florida State Code of Ethics; the Florida State Sunshine Laws; the Dunnellon City Charter; laws pertaining to conflicts of interest, election campaigns, financial disclosures, employer responsibilities, and open processes of government; and City ordinances and policies.

City Council and board/commission members will err on the side of more public disclosure, not less. Council and board/commission members will disclose when even the appearance of a conflict of interest might exist to promote integrity with the public process.

3. Conduct of City Council and Board/Commission Members

The professional and personal conduct of members must be above reproach and avoid even the appearance of impropriety. Members shall refrain from abusive conduct, personal charges or verbal attacks upon the character or motives of other members of Council, boards and commissions, the staff or public.

4. Respect for Process

Members shall perform their duties in accordance with the processes and rules of order established by the City Council and board/commissions governing the deliberation of public policy issues; actively solicit meaningful involvement of the public; and support implementation of policy decisions of the City Council by City staff.

5. Conduct of Council and Board/Commission Members at Public Meetings

Members shall prepare themselves for public issues; listen courteously and attentively to all public discussions before the body; and focus on the business at hand. They shall refrain from interrupting other speakers; making personal comments not germane to the business of the body; or otherwise interfering with the orderly conduct of meetings.

6. Public Participation on Legislative and Administrative Items on Board or Commission Agendas

Prior to decisions by the full board or commission, the Chair shall allow the public to participate and comment on specific agenda items of a legislative or administrative nature. Prior to making comments, each person wishing to address the board/commission should fill out a form provided by the City to give his/her name and address. If the person so chooses, (s)he can indicate his or her designation of a representative to speak for him or her on the proposition.

A person shall be limited to one (1) appearance on each agenda item and may not speak for more than three (3) minutes, unless a majority of the board/commission feels some other time limit is appropriate.

To maintain orderliness of the meeting, no question or comment by the public should be addressed directly to any individual board or commission member, staff member, or City Attorney. All comments must be directed to the Chair.

When multiple speakers appear to speak on one topic on the Agenda. When a group of individuals supporting or opposing the same position regarding an item on the agenda desires to be heard, in the interest of time and to avoid repetitious comments, a spokesperson should be designated by the group to express the group's concerns. However, a person in the group may make comments which were not included in the spokesperson's comments. Participation shall be limited to three (3) minutes per person, unless a majority of the Council feels some other time limit is appropriate.

Exceptions when public participation is not required. The right of the public to a reasonable opportunity to be heard does not apply:

When an action of the board/commission must be taken to deal with an emergency situation affecting the public health, welfare, or safety, if compliance with the requirements for public participation would cause an unreasonable delay in the ability of the City to act;

When an official act involves a ministerial act, including but not limited to, approval of minutes; and

When a public hearing is held before the board/commission acting in its quasi-judicial capacity, pursuant to a separate Resolution of Council. This paragraph does not affect the right of a person to be heard as otherwise provided by law.

7. Conduct of the Public at Public Forums

Members of the public in attendance at public forums should listen courteously and attentively to all public discussions before the body; and focus on the business at hand. They shall refrain from interrupting other speakers; making personal comments not germane to the business of the body; or otherwise interfering with the orderly conduct of meetings.

At the outset of public discussion, the Chair will ask all members of the public addressing City Council and boards/commissions on a specific project or proposal to disclose any personal interest or relationship; and any business, professional, or financial interests with any individual, group, project or proposal regarding the subject matter under review. Members of the public

should always err on the side of more public disclosure, not less, in order to provide integrity to the public process.

8. Decisions Based on Merit

Members of City Council and boards/commissions shall base their decisions on the merits and substance of the matter at hand, rather than on unrelated considerations.

9. Communication

Council and board/commission members shall publicly share substantive information that is relevant to a matter under consideration by the Council or boards/commissions, which they may have received from sources outside of the public decision-making process.

10. Conflict of Interest

In order to assure their independence and impartiality on behalf of the common good, members shall not use their official positions to influence government decisions in which they have a material financial interest, where they have an organizational responsibility, or personal relationship which may give the appearance of a conflict of interest.

City Council members will fully and publicly disclose any business, professional, or financial interests with any individual, group, project or proposal that comes before the City at the outset of public discussion. City Council members will excuse themselves from any decision making process where they have any such interest.

11. Gifts and Favors

City Council members shall not take any special advantage of services or opportunities for personal gain, by virtue of their public office, that are not available to the public in general. They shall refrain from accepting any gifts, favors or promises of future benefits which might compromise their independence of judgment or action, or give the appearance of being compromised.

12. Confidential Information

City Council and board/commission members shall respect the confidentiality of information concerning the property, personnel or affairs of the City. They shall neither disclose confidential information without proper legal authorization, nor use such information to advance their personal, financial or other private interests.

13. Use of Public Resources

City Council and board/commission members shall not use public resources for private gain or personal purposes, such as City staff time, equipment, supplies or facilities.

14. Representation of Private Interests

In keeping with their role as stewards of the public interest, members of Council shall not appear on behalf of the private interests of third parties before the Council or any board, commission or proceeding of the City, nor shall members of boards and commissions appear before their own bodies or before the Council on behalf of the private interests of third parties on matters related to the areas of service of their bodies.

15. Advocacy

When designated as delegates for the City Council, Council members shall represent the official policies or positions of the City Council, board or commission to the best of their ability.

When presenting their individual opinions and positions, members shall explicitly state they do not represent their body or the City of Dunnellon, nor will they allow the inference that they do.

16. Policy Role of Members

Members shall respect and adhere to the council-city manager structure of Dunnellon city government as outlined by the Dunnellon City Charter. In this structure, the City Council determines the policies of the City with the advice, information and analysis provided by the public, boards and commissions, and City staff.

Except as provided by the City Charter, members therefore shall not interfere with the administrative functions of the City or the professional duties of City staff; nor shall they impair the ability of staff to implement Council policy decisions.

17. Independence of Boards and Commissions

Because of the value of the independent advice of boards and commissions to the public decision-making process, members of Council shall refrain from using their position to unduly influence the deliberations or outcomes of board and commission proceedings.

18. Positive Work Place Environment ✓

City Council members shall support the maintenance of a positive and constructive work place environment for City employees and for citizens and businesses dealing with the City. Members

shall recognize their special role in dealings with City employees to in no way create the perception of inappropriate direction to staff.

19. Implementation

As an expression of support for good government and ethical conduct expected of City Council, board/commission members and the public, the Dunnellon Public Code of Ethical Conduct is intended to be self-enforcing. It therefore becomes most effective when all stakeholders are thoroughly familiar with it, embrace its provisions, and hold each other accountable to the process.

For this reason, ethical standards shall be included in the regular orientations for candidates for City Council, applicants to board and commissions, and newly elected and appointed officials. Members entering office shall sign a statement affirming they read and understood the City of Dunnellon Public Code of Ethical Conduct. In addition, the entire code will be made available to the public, and posted on the City web site.
