Historic Preservation
~~MCRA~~ Advisory Board members,

I have given a lot of thought in the colors I chose for my house at 20740 Powell Rd after your approval. I will be the first to admit I made a mistake. I now feel the Red I chose is far too dark & stuffy looking to be on a house in the hot & sunny state of Florida.

Another aspect I overlooked was; the house already has a relatively new Greenblend shingled roof on it, and I really prefer not to replace it just to go with red. I guess it would look great together, but for Christmas only!

So with your approval once again I would like to change the red siding to colonial yellow, and all the trim to Linen.

This will be my final decision as long as the colors stay available. Thank you once again for your assistance. I really do appreciate all your efforts.

Respectfully,

George
