Council also approved the purchase of a truck for the Utilities Department funded by bond proceeds.

1. PROPOSED WATER/SEWER ENTERPRISE FUND BUDGETS, FY2016 -2017

Jan Smith reviewed the proposed budget summary sheet. Members and staff discussed several items, i.e. vehicle purchases, SCADA system purchase, and the need for a plan going forward. The overall impression is this is a very good budget. The Council budget meeting will begin at 3:00 p.m. on 8/10.

2. PUBLIC COMMENT

Councilman Green spoke about spending time when he first came on to Council with Mr. Grabbe and the potential of his retirement within two years. Consideration for having someone brought in to work along with Richard before he retires. Just wants Board to keep this in mind as we go forward.

3. ADJOURNMENT The meeting was adjourned at 12:03 p.m.
