1. TREE ORDINANCE REVIEW WORKSHOP

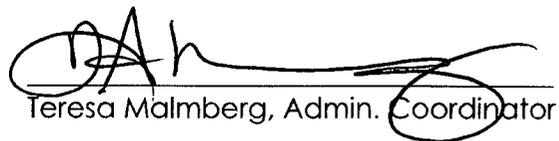

Members and Public reviewed and discussed the proposed and original tree code and ordinance. Several ideas were put forth for consideration: pamphlet for distribution to new residents and businesses; large commercial sites w/5 acres or more need to be addressed; planting standards not necessary in the tree code.

Following discussion, members agreed to continue this matter and bring their recommendations to the September meeting. Members thanked Mr. Marraffino and Mr. Vibbert for their valued input.
