October 16, 2012 – Dunnellon, Fla. – Volunteers from local area Lowe's stores will work alongside Dunnellon community volunteers to upgrade the Dunnellon Ball Fields with needed repairs as part of the Lowe's Heroes Project.

The volunteers will begin working on Thursday, Oct. 18 and conclude on Friday, Oct. 19. The workday will begin at 8:30 a.m. and run through 5 p.m. both days.

Lowe's Store No. 2753, located at 7575 S.W. 90th St. in Ocala, is coordinating the effort along with three other stores in the area.

Local community volunteers will include parents of Dunnellon Little League players along with members of the Dunnellon Police Department, the City of Dunnellon, and Greenlight Dunnellon Communications. The group will repair fences, build bleachers, replace doors, add flag poles, landscape areas, enhance the playground, paint, and clean.
