## Greenlight gears up for service in 2012

**G**reenlight Dunnellon Communications is still creating lots of buzz throughout the city and surrounding area. Many city residents have called and e-mailed wanting to know when service will be available and when they can sign up.

All the buzz and queries are certainly understandable as Greenlight's state-of-the-art fiber to the home network will offer web-based

Greenlight's state-of-the-art fiber to the home network will offer web-based telephone service, high speed internet and cable television, all at an affordable price. This is made available through the City's new 140-mile fiber-optic network.

telephone service, high speed internet and cable television, all at an affordable price. This is made available through the City's new 140-mile fiber-optic network.

While we are currently in the testing phase, we are hoping to begin service with our customers in January. We will start neighborhood by neighborhood so look for signs, emails, door hangers, even tents

where city staff will be accepting applications for service.

One package that many customers will be interested in is the Triple Play, which is a bundle

package that offers great value at \$119.99. Triple Play includes 10MBS download and upload speeds, Expanded Basic video service (around 190 Channels), and home phone service that includes unlimited local and long distance, call forwarding, call transfer, speed dialing, call conferencing, and three-way calling. A starter package featuring one telephone line and 5MBS starts at \$59.99.

Other Greenlight advantages include:

- A variety of affordable media packages to serve your video, high speed internet, and phone needs.
- No long term contracts are required for any of our great services.
- No installation charge associated with any of our service.
- No minimum number of services to buy.
- Multiple HD channels available.
- Weather proof transmissions straight to your location.
- The fastest download and upload speeds available.
- Outstanding home phone service at \$34.99 plus tax, which includes unlimited local and long distance, call forwarding, call transfer, speed dialing, call conferencing, and three-way calling.

For businesses, Greenlight offers a vast array of business solutions from fast reliable internet service to state-of-the-art business voice and data services that will provide savings, growth and productivity to your business.

## Bicycle/Pedestrian Master Plan Unveiled in February

Bicyclists and trail enthusiasts can look forward to February when the city's new Bicycle Pedestrian Master Plan will be unveiled.

The plan calls for connecting the Cross Florida Greenway Trail to the Withlacoochee State Park Trail at Dunnellon's Blue Run Park.

There will be streetscaping and landscaping along Pennsylvania Avenue and U.S. 41 in Dunnellon. You will also notice new uniform signage in the area and elsewhere to direct people to various locations in the city, like area parks, schools, parking, etc.

## Coming Soon: New Facility for Boys & Girls Club

Bids are out now for contractors for the new 8,600 square-foot building for the Boys & Girls Club of Dunnellon. It will be located across from the Walmart on U.S. 41.

Like other Boys & Girls Club facilities, this one will offer after-school activities and tutoring, education and career counseling, recreation, life skills, art and leadership skills and a variety of other positive programs for youth.
