### **City of Dunnellon Press Release**

**FOR IMMEDIATE RELEASE:**

September 14, 2018

Dawn M. Bowne, City Administrator

In an effort to improve customer service and expand the City's operational hours for customers to have more flexibility in which to conduct business with the City, our hours of operation will change effective October 1, 2018. City Hall will be open to the public from 7:00 a.m. until 6:00 p.m. Monday through Thursday and will be closed on Fridays. This provides the opportunity for many of our customers to have access to City staff prior to and after their own normal work hours. This will also provide contractors the added advantage to meet with our Community Development staff as they usually begin their day earlier than most. As always, an after hours contact number will still be available to the public for emergency needs related to our Public Works Department.
