Members of the public in attendance at public forums should listen courteously and attentively to all public discussions before the body; and focus on the business at hand. They shall refrain from interrupting other speakers; making personal comments not germane to the business of the body; or otherwise interfering with the orderly conduct of meetings.

Members of the public addressing City council and boards/commissions on a specific project or proposal are requested to disclose any personal interest or relationship; and any business, professional, or financial

interests with any individual, group, project or proposal regarding the subject matter under review. Members of the public should always err on the side of more public disclosure, not less, in order to provide integrity to the public process.
