Ocala Marion Transportation Planning Organization (TPO) Congestion Management Plan (CMP) Survey

Ocala, FL – The Ocala Marion Transportation Planning Organization (TPO) is in the process of developing a Congestion Management Plan. The CMP will outline a systematic approach for identifying and managing congestion on the major federal-aid roadway network within Marion County. The TPO is conducting an important survey on traffic congestion issues. Your feedback is essential to help us understand both current challenges and opportunities to improve traffic flow in Marion County. Please visit <https://ocalamariontpo.org/contact-us/congestion-management-plan-public-survey/> to take the survey.

Please like and follow the TPO on Facebook and Twitter to stay up to date with the CMP.

For more information on the CMP visit our website at <https://ocalamariontpo.org/tpo-projects/> or contact Rob Balmes, AICP CTP Director at (352) 438-2631 or rob.balmes@marioncountyfl.org.

#

The Ocala Marion Transportation Planning Organization is a federally-mandated public agency responsible for allocating state and federal funds to roadway, freight, transit, bicycle and pedestrian projects within Marion County. The TPO serves the cities of Belleview, Dunnellon, Ocala and Marion County.
