How to complete the 911 Management Address Application

Section 1: Fill in all of the blanks in this section.

Section 2: Check one work type AND one structure type.

1. If your present address needs to be verified, all current phone numbers assigned to that structure **MUST** be listed.
2. Identifying structure type is how your address is referenced. This also prevents duplicate addressing and re-addressing of structures or parcels where the address is already known. Indicate if a **NEW** structure is being added or an existing one is being **REPLACED**.
3. If "Other" is selected, identify what type of work is being done (well, electric, pole barn).

Section 3: The site plan must be complete to receive a 911 signoff. (See form attached to this application).

1. Indicate all streets surrounding your property.
2. Indicate the **FRONT** of your structure.
3. Show all structures (barns, apartments, guest houses, etc.) with driveways.
4. Your property dimensions **MUST MATCH** the legal description of the current record.
5. If there is a change in the legal description, include a copy of your deed showing the new legal description.

Section 4: Complete the return/ mailing information.

All contact information must be completed, including your name, email address, telephone number, and complete address (city, state, zip code). Include your phone number in case there are questions regarding the application.

Section 5: Leave this section blank.

Thank you!
