

## ROAD REPAIRS/MAINTENANCE UPDATE

\*UPDATE: Rock and Roll Pavers, Inc. will begin grading and filling throughout Dunnellon Heights on Monday, October 21st

**DUNNELLOH HEIGHTS ROAD GRADING:** Due to the recent Hurricanes, the quarries have been flooded and lime rock supply is at a halt until further notice. Once the quarries are open, we will resume grading and filling throughout Dunnellon Heights.

City Council recently executed an Agreement with Rock and Roll Pavers, Inc. to have Dunnellon Heights graded bi-annually. Moving forward this is expected to be completed sometime in November and again in May.

Further questions or concerns should be directed to Dunnellon Public Works at 352-465-8590.
